RECEIVED  
FEDERAL  
ELECTION  
COMMISSION

**THIS IS A CRIMINAL COMPLAINT**

The Libertarian party of Oregon (LPO) has never filed FEC paperwork to the best of my knowledge.

The following are federal election activities performed by the LPO.

The LPO had in early January and did nominate a candidate, Dan Fitzgerald, to run in the US senate race who then spoke about his campaign at the LPO March Business convention. The LPO also nominated Richard Whitehead on 5/25/04 to run against David Wu for Congress,

The LPO does and currently perform Voter registration activity within 120 days before a regularly-scheduled federal election.

The LPO performs Voter identification, generic campaign activities and get-out-the-vote activities that are conducted in connection with an election in which one or more candidates for federal office appear on the ballot including,

The LPO produces public communications (newsletters and Website) that refers to a clearly-identified federal candidates and that promotes, supports, attacks or opposes any federal candidate,

The LPO State party committee does spends more than 25 percent their compensated time a month on activities in connection with a federal election. Their executive director runs the campaign for Dan Fitzgerald and uses the LPO office space to do it in.

I have witnessed the above actions myself and from time to time performed them on behalf of the Libertarian Party of Oregon
